23 April 1956

MEMORANDUM FOR: Project Security Officer

25X1

SUBJECT : Request for Project Clearance, [REDACTED]

25X1

1. [REDACTED] appearance, in his present capacity as Chairman of the Board of Hycon Manufacturing Corp., at the Suppliers Meeting in Los Angeles on 16 April at the invitation of Mr. Bissell brought to light the fact that despite his long association with this Project, there has been no request made for clearance status on his [REDACTED]

2. Mr. Bissell advises me that he intends to continue to give [REDACTED] access to Project material related to the participation of his industrial concern from time to time and, therefore, I believe it advisable for this office to have an indication from you on the desirability of this course of action. It might be pointed out that Mr. Bissell states that [REDACTED] is presently a WOC consultant to the Department of Defense and, therefore, I assume that he enjoys a current TS clearance in that area.
